### Public Facility Rental Policy and Regulations

Town owned facilities are intended for the use and benefit of community members and organizations. Programs sponsored or jointly sponsored by the Town of Marshville have priority over other uses. Certain time periods may be reserved on a regular basis for town programs, meetings, and/or uses. Organizations and individuals may use facilities subject to the regulations of these policies.

#### Hours of Use:

All facilities are available for rental from dawn to dusk. Rentals are scheduled in four (4) hour blocks unless otherwise noted.

#### Reservations:

1. The Town of Marshville shall maintain a calendar of scheduled uses of Town facilities at Town Hall. Reservations are accepted at Town Hall on a first come first served basis. Therefore, reservations should be made as far in advance of the meeting as possible. A reservation will not be considered complete until a completed application is returned to Town Hall and deposit and fees (if applicable) are paid.
2. No group or individual may schedule regular meetings, either on a weekly or monthly basis that could deprive other groups or individuals of the use of the facility. Regular meetings or use of facilities to conduct a business activity or to derive a financial gain or profit is strictly prohibited. Prior approval of the Town Manager or their designee is required for fundraising events and granted on a case by case basis.
3. Reservations for any facility may be denied if a use is deemed inappropriate, excessive, or if an individual or organization has previously violated the Town of Marshville rental policies and regulations. Town staff is authorized to deny anyone the use of the facilities if he/she believes that use might cause damage to the building, cause a disturbance, or violate any federal, state, or local laws or policies.

If the reservation is for an outdoor facility and cancellation is due to inclement weather the event may be rescheduled at no additional charge. If no rescheduling occurs then only the deposit will be refunded.

**Deposit:** The return of any deposit is contingent upon favorable inspection by town staff after use of the facility rented. A security deposit refund will be processed within three (3) weeks and be issued in the form a check payable to the person or organization that paid the deposit. **The deposit is required at the time of reservation.** Deposit will be refunded if the facility is left in a clean and orderly manner as determined by the Town and utilized in accordance with the Rental Policy and Regulations.

Rates shall be set by the Marshville Town Council annually with a fee schedule and may be reviewed and amended from time to time. There will be no discount for all day use or "partial block" use.
