Our Brand Colors

Beaver Dam Blue, Golden Ochre, and The Color Purple. The new look of our small-town logo celebrates Marshville’s forward-looking vision for the future through a modern design. At the heart of the “M” is a diamond, which represents many aspects of the Town of Marshville. From its radiant countryside sunsets, to its small-town charm and the unbreakable spirit of its welcoming population. Marshville is truly the diamond of Union County.

Leaf Vacuuming

Leaf vacuuming begins in November and will run through the end of March. Please make sure you rake the leaves to the edge of the street. If your pile has limbs, rocks, pinecones or other items we will not be able to vacuum it because it will damage our equipment. Please **DO NOT** place leaves in ditches or into storm drains. This leads to blockages. For more information see our website.

Festival of Trees

November 9th - November 13th

Be the Light & the Community Strong Team will host their 2nd Annual Festival of Trees. You can donate fully decorated artificial trees that will be auctioned from November 9th – November 13th. This fundraiser raises funds for our local Police Department's Christmas with Cops event for local youth. If you would like to enter a tree for your business or organization but don't want to decorate it, you can sponsor a tree and we will find a talented decorator to bring your tree to life for you! The donated trees will be on display and able to be viewed at our Winter Wonderland location that will be located at 111 W. Main Street, Marshville. To donate or sponsor a tree, please contact Kellie Mosley at 803-287-2501 or Emily Carraway at 704-441-6927 or send an email to Emily@palhogecreations.com.
