A Holiday Message From: Mayor Larry Smith

Greetings Marshville citizens!

And just like THAT, the 2023 holiday season is upon us!

On behalf of all the elected officials and the entire town staff, I would like to offer you and your families our warmest wishes this holiday season. We

should all remind ourselves to have grateful and appreciative hearts this

Thanksgiving, to then maintain a healthy carry-over of joy and wonder

into Christmas, and finally to be full of expectancy and excitement at the

prospect of a coming New Year. We have so much to be proud of, and I

hope you will join me in celebrating the great little town that Marshville is

by helping spread the word and supporting the community in whatever way

you feel led. Whether it's parades or Christmas tree lightings, we hope that

you take advantage of, and attend many of the events going on this time of

year. There is much to see and do and we hope that we will see you there.

May everyone have a blessed holiday season!
